CLUB MEETING

Thursday, July 19, 2007
7:00 p.m. Board Meeting
7:30 p.m. General Meeting
Five and Diner

We thought we all might enjoy a change...we will be holding the July meeting in the back room of the Five and Diner on Channing Way. Come and join us!

TEN COMMANDMENTS From a Pet's Perspective

- My life is likely to last 10 –15 years. Any separation from you will be painful for me. Remember that before you get me.
- Give me time to understand what you want from me.
- Place your trust in me. It is crucial to my well-being.
- Don't be angry with me for long, and don't lock me up as punishment. You have your work, entertainment and friends. I have only you.
- Talk to me sometimes. Even if I don't understand your words, I understand your voice
- Be aware that however you treat me, I'll never forget you.
- Please don't hit me. I can't hit back, but I can bite and scratch and I really don't want to do that.
- Before you scold me for being uncooperative, obstinate or lazy, ask yourself if something might be bothering me. Perhaps I'm not getting the right foods or I've been out in the sun too long or my heart is getting old and weak.
- Take care of me when I get old. You will grow old too.
- Go with me on the difficult journeys. Never say, "I can't bear to watch" or "Let it happen in my absence." Everything is easier for me if you are there. Remember, I love you.

"Braggs"

Arynne Belger graduated magna cum lauda from Skyline High School on May 23, 2007. She plans on attending University of Utah this fall where she will continue dancing.

"Everett" Belger also went to the 2007 Amercian Belgian Malinois National Specialty. He made his rally debut. He did not qualify but did earn the nickname "Coneman"! He was more intent on retrieving as many orange cones than on heeling, sitting, or dropping. He

had a great time and amused all those watching including the judge!

"Celeste" and Suzanne Belger have become herding addicts! They attended their first AHBA herding trial and picked up their first HTADs leg. They also enjoyed the Blackfoot shows. They earned their Novice Fast Title, picked up another MX leg and 9 more MACH points. "Celeste" went BOB Thursday and BOS the remaining three days. Obedience attempts were a bust but "Celeste" had a great time coming up new ways to fail each exercise.

"Danny" Windabrae Wings of Time were able to get four legs in two days at the Blackfoot Shows. They received two Novice Rally B legs on Thursday and Saturday. They also received two legs and placements in the Novice B class on Thursday and Saturday. Mary Lee is strongly considering letting "Danny" show alone in Rally!!!! "Danny" only lost five points, while Mary Lee lost forty points. LOL
Way to go "Danny"

"Sabre" Robinson earned his Rally Excellent title with 2 firsts and a second place. He also did very well in the Breed ring with 3 placements in Borzoi majors.
