It's time for those New Year's resolutions again and in the AKC CGC department, we're busy working on resolutions and proclamations.

We are extremely pleased to announce that through the efforts of AKC CGC Evaluators Christine Nelson (Pocatello Kennel Club) and Sandy Peterson (Board Member, Therapy Dogs Incorporated) Governor C.L. "Butch" Otter endorsed the Canine Good Citizen program when he declared a CGC Day in the state of Idaho.

A CGC Proclamation for Idaho makes a total of 42 states that have acknowledged the American Kennel Club's CGC program.

"We are very honored that Gov. Otter has given this level of recognition to the CGC program," said AKC CGC Director Dr. Mary Burch. "And, we are extremely grateful to Christine Nelson who worked on getting this recognition for several years, and to Sandy Peterson who joined the cause this past year. Both Christine and Sandy are CGC evaluators who truly believe in promoting responsible dog ownership and thanks to their work, Idaho is now among the states that formally recognize the CGC concept."

From Suzanne Belger:

Thank you all for the honor of being named the "Club Member of the Year". I feel that there are so many of you that work as hard if not harder than I do. This honor should be shared by all of Upper Snake River Dog Training Club's members. It really does take a "village" not just one individual to make a club as great as ours. The support and camaraderie that exist in our club makes it possible for so many of us to achieve our goals. We are truly lucky to have so many great club members who are willing to share their time and talent. We are more than just friends, we are a family and I can't think of a better group of people to spend time with. Thank you!
