TRACKING CLASSES

Starting April 21st – two classes one for regular tracking the other will be urban tracking.

SCENT WORK

Looks like we are well connected when it comes to Scent Work – special thanks to Lois and Steve for organizing two Scent Work classes and getting a bunch of us started.

Just finished up a seminar with Hallie McMullen from Boise – some great tools, games, and guidance on teaching and competing in Scent Work.

Then next, we will be holding a Scent Work trial at the Blackfoot Dog Shows in June. Premium list is out and this will be an opportunity for club members to volunteer.

Also, watch for information on a match, probably in May.
