FAST Courses will be nested with one walk-thru for all levels. All levels will run together according to jump height.

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

JUDGING INFORMATION

Check-In will begin at **8:00 AM MT** on all days.

Judging will start at 9:00 AM MT on all days.

Check-in for all dogs, judge's briefing, and walk through will take place prior to start time. Electronic timers will be used. Excellent/Master level classes and Time to Beat may have split walk through depending on entry size.

Dogs may arrive any time prior to judging. Dogs that need to be measured must be available for measuring prior to the start of their class. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule. The owner or handler of each dog is solely responsible for having it ready at ringside when it is to be judged. Neither the club nor the Trial Secretary have any obligation or responsibility to provide a service, through a public address system, or stewards, or runners, for the purpose of calling or locating dogs that are not brought into the ring when required.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Entering For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment.

FEO is allowed in all classes.

Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show. • Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed. • Dogs may be entered at any level (Novice, Open Excellent or Masters) in FAST, JWW, Standard or Premier classes. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed. • The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge. • Course time for FEO in Time 2 Beat, JWW, Standard, Premier and ISC will be 45 seconds. FAST courses times for each class/height are as noted in the Regulations.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog. . Handlers with multiple dogs, at events with multiple ring may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on a dirt surface. Ring size will be 100'x100'.

HEIGHT DIVISION

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers

24"	20"	For dogs over 22 inches at the withers

Measuring and Height Card Information

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List.

Dogs Eligible to Enter

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes. Dogs should be physically sound. Dogs that are blind or deaf shall not be eligible and neither are aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

After the close of entries a dog, which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler, may be moved to the Novice "B" class. A request must be submitted to the trial secretary at least 30 minutes prior to the start of EACH trial and must state the reason and justification for the move. A dog may be moved down in their class level (i.e., Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary by the conclusion of each day's trial.

RIBBONS, AWARDS, AND PRIZES

Ribbons will be awarded in each jump height division in each class as follows:

First Place.....	Blue
Second Place.....	Red
Third Place.....	Yellow
Fourth Place.....	White
Qualifying Score.....	Dark Green

A New Title rosette will be awarded to all dog and handler teams finishing a title. A MACH/PACH/PAX rosette and decorated MACH/PACH/PAX bar will be awarded to all dog and handler teams that attain their MACH/PACH/PAX. Ribbons and awards will not be mailed. All ribbons and prizes offered by USRVDTTC and friends.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. Upper Snake River Valley Dog Training Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. No one shall have any recourse or claim against Upper Snake River Valley Dog Training Club, Trial Secretary, or any official thereof.

Anyone in violation of a restriction pursuant to AKC rules or policies, or the law can be asked to leave the grounds. If the person fails to leave, the local authorities will be contacted. In addition, if the club believes laws, restrictions, or conditions of release are being violated by an individual's attendance or participation in AKC events, the local authorities will be contacted immediately as they have the authority of enforcement.

Upper Snake River Valley Dog Training Club will not be responsible for the loss of/or damage to any dog entered and exhibited, whether the result of accident or other cause. It is distinctly understood that every dog at this trial is under the care, custody, and control of its owner or handler at all times. Upper Snake River Valley Dog Training Club, Club officers, board members, and the Trial Secretary assume no responsibility for any loss, damage, or injury sustained by the exhibitors, their dogs, or property.

All dogs must be on leash at all times or otherwise confined when on trial/show grounds except when in the designated warm-up area or competing on the course. (AKC leash restrictions March 2009). Trial grounds are defined as the entire public interior area of the Brighton Performance Horseshas well as the area surrounding the arena.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the showgrounds.

Crating space will be available on the morning of Friday, October 23, 2026. NO EXCEPTIONS. Crates may be left overnight. The Upper Snake River Valley Dog Training Club and Brighton Performance Horses will not be responsible for any lost or damaged items left at the show site. There will be NO advanced crating. Crating areas will be taped out after the ring, practice jump and other trial areas are set. You will have to crate inside the taped area, do not block the walk ways. Each entered dog is allotted a 4X8 space. You will not have room for tables, wagons, etc.

AMERICAN
KENNEL CLUB®

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

We Do for Dogs.**

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine PartnersSM** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
